

Under the Patronage of

HRH Princess

Muna Al-Hussein

The Jordanian Nursing Council

Conducts

The 4th Jordanian Nursing Forum

Under the Title of:

**Towards a Safer Future: Enhancing
Emergency & Disaster Preparedness for
Effective Response**

Amman, Jordan

Thursday June 15 , 2023

- ⇒ The Jordanian Nursing Council (JNC) will conduct its annual policy forum on 15 June 2023 under the title “**Towards a Safer Future: Enhancing Emergency and Disaster Preparedness for Effective Response**”, in collaboration with national and international partners.
- ⇒ This policy forum will offer a unique opportunity to share knowledge and strategic directions aimed at improving emergency preparedness, response, recovery and resilience.
- ⇒ The forum will offer valuable insights and skills to effectively prepare for, manage, and recover from emergencies, as well as will showcase best practices and lessons learned from diverse types of emergencies and disasters.
- ⇒ Explore opportunities for mutual collaboration and identifying processes of implementation based on the action plan agreed upon between the Jordanian and Romanian entities.
- ⇒ The forum will present experiences from different national and international partners, with a focus on nursing profession.

Forum Objectives:

The forum will highlight the importance of:

- ◆ Integrating emergency and disaster preparedness, competencies in undergraduate curricula.
- ◆ Integrating emergency and disaster preparedness, competencies during the career path of health professions, in the advanced level; CPD & in specialization.
- ◆ Strategic networking and coordination with national and international stakeholders.
